Rayten Project Number: SCI-BCC-212438

Date: 15 February 2022

Dear Sir / Madam,

RE: NOTICE OF A SECTION 22A APPLICATION FOR AN ATMOSPHERIC EMISSION FOR THE OPERATION OF A CREMATORIUM AT WINDERMERE ROAD, CAMBRIDGE WEST, EASTERN CAPE PROVINCE

The Buffalo City Metropolitan Municipality (BCMM) operate the Cambridge Crematorium located on Windemere Road, Cambridge West, East London in the Eastern Cape province. The operation of a crematorium triggers listed activities as per Section 21 of National Environment Management: Air Quality Act, 2004 (Act No. 39 of 2004), and as such requires an Atmospheric Emission licence (AEL) to operate. The BCMM are applying for a Section 22A AEL in respect of the following Section 21 listed activity:

Category 8 – Thermal Treatment of Hazardous and General Waste

Sub-Category 8.2 - Crematoria and Veterinary Waste Incineration – Cremation of human remains, companion animals (pets) and the incineration of veterinary waste.

Rayten Engineering Solutions (Pty) Ltd, acting as independent environmental consultants, have been appointed by the Applicant to facilitate the Section 22A AEL application, which includes Public Participation.

Should you/your company/organisation have any objections/comments/concerns about the activity, you are kindly invited to forward your objections/comments/concerns within 30 days from the date of this notice in writing (on this document or in a separate letter/email) with reasons to:

Ms Nopasika Xulu
Tel: (011) 792 0880
Fax: 086 592 0298
E-mail: info@rayten.co.za
Website: www.rayten.co.za
P.O. Box 1369, Bromhof, 2154

The Public Participation Process aims to register potential Interested and Affected Parties (I & APs), to elicit comment/objections/concerns (which will be addressed during the application process) and to raise issues and concerns for further investigation.

Member: C Wray, General Manager: CJ Wray
